

Credit Card Authorization Form

Contract Express Limited requires that Visa or M/C information be kept on file for all new customers while credit application is through approval.

It is understood by filling out and forwarding this information back to Contract Express Limited your Visa or Mastercard will be deducted if your credit application is not approved by the time the load is set to deliver.

Our credit department or dispatch will let you know the status of your credit application once it has been completed.

You may also arrange to pay for all your shipments with credit card.
